Wash Parliament/Club

The main objective of establishing a WASH Club is to offer schoolchildren opportunities to raise their awareness about and develop skills related to water, hygiene, and sanitation through fun and practical activities. The WASH Club can support them in changing conditions in their schools as well as in becoming agents of change in hygiene and sanitation in their families and communities.

Roles and Responsibilities of School WASH Club Members

1) Recruit more volunteer club members. (2) Train new club members. (3) Mobilize the school community to conduct clean up, tree planting, and other activities. (4) Beautifying activities. (5) Inspect water points, latrines, and hand washing stands so that they are kept clean, safe, and attractive. (6) Organize fundraising programs to raise money to construct facilities, buy soap, maintain facilities, etc. (7) Arrange outreach program and work with communities on:

- Clean up campaigns
- Latrine construction
- Rehabilitation of community water sources
- Other locally important WASH improvement activities.

Why Parental Consent:

Experience has shown that there are times when parents or guardian object to certain activities in connection with WASH Parliament/Club or accidents may occur.

Permission to participate and Use of photograph:

This is my permission for the school in charge, or Khwahish Sewa Society representative designate, to allow my kid to be part of the WASH Parliament or Club in his/her school, the undersigned, having read, understood and having been briefed regarding the nature of the activity. I hereby allow my kid to stay in school for 15 minutes before and after the official school time to perform volunteer activities related to WASH Club.

I also give permission to have my child's photograph taken for program purposes and that any photos may be used for advertising and promotion of Khwahish Sewa Society-'KHASS' programs.
